SUMMER 2016

# A Message from Pastor Dave

Dear Calvary Family,

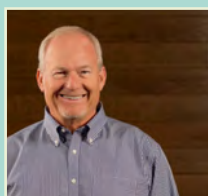

This will be a full and spiritually rich summer. We will have short term teams heading out to Croatia, Israel, Albania, and Costa Rica. Calvary continues to fulfill one of our 85-year-old core purposes of reaching people around the world for Jesus Christ.

And back home on our campus, this summer we complete the Generation Project as we open our new Student Underground to serve our Middle School, High School and College students. We plan to offer you all an Open House so you can tour the very unique and amazing design of the Underground. It is also great to know that the various art pieces and decor were either donated or custom made by our own church members and staff. What a terrific environment for our students to be grounded in the Word and with each other.

Our Vacation Bible School promises to be another awesome outreach to the elementary children of our community. I continue to be amazed by all our faithful volunteers to help us reach over 1000 children with the good news of Jesus. Personally I look forward to praying with children that want to know more about Jesus and even believe in Him as Savior.

Then in August, we begin a new series that will unite us together in those core beliefs of our faith. By examining Communion, the Bible, Baptism and Prayer, we will reaffirm the timeless truth of God so we can grow in our faith. And, this series will set up an exciting new series we are already planning for this fall. More on that later.

Thank you again for all of your generosity from our past teaching series. It is no cliché that we remain Better Together. Many have committed to the generous life so that we are improving our financial resources which support all our ministries. Thank you so much.

*Pastor Dave*
