

MAN CAMP

Scholarship Guidelines and Application Request

Because many may not be able to afford the full cost of men's retreat, *Men's Ministries* wants to help as many as possible who need financial assistance through the limited scholarship funds available for retreat this year.

In order to assure this, Men's Ministries has established the following guidelines for receiving retreat scholarships:

1. This form must be completed and signed by the person who actually needs the scholarship. Scholarships are designed to help men who attend Calvary Church on a regular basis.
2. Men's Ministries retreat scholarships may be granted for any amount but often will not exceed one-half the total cost of the retreat. Most scholarships are granted for approximately 1/3 the cost of the retreat.
3. Men's Ministries retreat scholarships are very limited and will be granted solely based on need.
4. Scholarship application **deadline is Sunday, May 7, 2017.**

Please complete the needed information below and return this form to Tim Nellis before you register for camp.

It's important to explain your need as thoroughly as possible. Your financial need and unusual circumstances (i.e. not being able to cover retreat because of a family vacation would not be an unusual circumstance) will be considered very carefully and may influence the amount of scholarship money granted to you. All scholarship requests are kept confidential.
